MEET YOUR DREAM TEAM

The Ethan Allen Design Team or Dream Team, as we like to call them, is uniquely qualified to turn your dreams into realities. From furnishings for every room in your home to that one spectacular accent piece, our talented staff is comprised of people who take the time to listen to your specific home decorating needs and help you find the right solution.

L-R: Lisa, Shelley, Elizabeth, Lee, Heidi and David

Ethan Allen at Town Center offers a full spectrum of stylish products, personal experience and technology to provide you with a visually exciting and comfortable shopping environment. With an eye for tones and textures, shapes and styles to complement any décor, our designers can help you pull it all together and suit any budget.

WE'RE YOUR NEIGHBORS

As a local, family operated business of nearly eighty years; we have been your Hampton Roads Ethan Allen retailer for the past five decades.

We strive to earn your continued respect and patronage by offering generations of experience and personal attention, every day.

We remain committed to providing superior

customer service and the best home furnishings shopping experience possible. Ethan Allen at Town Center represents the latest development in a rich history of service to local families within our community.

THERE'S SO MUCH IN STORE

ETHAN ALLEN KIDS DEPARTMENT

It's like a store within a store. The Ethan Allen Kids department offers stylish solutions from space-saving modular systems to bunk beds and furnishings for the newest member of the family. No matter what the décor, Ethan Allen Kids furniture is hip, fun, functional and built to last.

MEDIA SOLUTIONS

Today's high-tech entertainment systems call for an equally high-tech furnishing solution. Presenting ... Ethan Allen Media Solutions. Ethan Allen has developed a wide array of furnishings uniquely

designed to house the latest technology from HDTV flat screens to video and audio components. The newest innovation? Ethan Allen Lift Systems that hide the TV away from view when not in use.

CUSTOM DESIGN STUDIO—WINDOW TREATMENTS

From drapery to valences, your Dream Team can take the guesswork out of designing your next window treatment. In our unique

design center, we can expertly guide you through thousands of fabrics, finishes and decorative details with complete confidence. This complimentary service combines years of experience with the latest technology to offer you a state-of-the-art glimpse into how your custom-designed window creation will look in your home, before you purchase.

THE SHOWROOM

With over 25,000 square feet, Ethan Allen at Town Center is truly a unique shopping experience. Featuring more than 50 "lifestyle rooms," each one beckons you to stop, feel and experience the textures and colors of the latest affordable Ethan Allen designs, ranging from classic to casual styling.

EVERYDAY PRICING

Ethan Allen has made purchasing home furnishings so simple. With Ethan Allen's Everyday Pricing you get our best price every day. That's our promise to you.

EVERYDAY FINANCING

Ethan Allen's Everyday Financing makes it even easier to bring our distinctive designs home. We are committed to providing you with high-quality lender services at competitive rates. Whether you're purchasing a lamp, living room suite or redecorating your entire home, we want you to get exactly what you're looking for—quality furnishings at an affordable price. We'll always work with you to find the best financing options.

With Everyday Pricing and Everyday Financing, you can afford to furnish your entire home, any day of the week.

OUR PEOPLE MAKE THE DIFFERENCE SALES SUPPORT AND SERVICE

Our sales support and service teams are locally based and provide exceptional customer service well beyond the sale. If you are not completely satisfied with your sales experience, our professionals respond quickly to your concern.

WARRANTY

Every Ethan Allen product comes with a warranty that is applicable throughout the 48 contiguous states. No matter where you move, Ethan Allen stands behind the quality of our workmanship and design.
