

We're Shifting Into Holiday Mode.

'Tis the season for last-minute shopping and VDOT wants to make sure you get to your favorite shops and restaurants near the Battlefield Boulevard Interchange.

After Thanksgiving, I-64 eastbound traffic traveling to Suffolk will temporarily shift from the existing I-64 roadway onto the new outside lanes at the interchange. The lane shifts will occur between Greenbrier Parkway and I-64 without any changes to the existing exit ramps. Soon after New Year's, I-64 westbound traffic traveling to Virginia Beach will also temporarily transition from the existing I-64 roadway onto new outside lanes at the interchange.

Enjoy holiday shopping and dining near the Battlefield Boulevard area with little or no interruption. For weekly e-mail updates, project overviews, real-time traffic cameras and up-to-date news, visit www.i64info.com or call 511.
