

Trick or Meat?

The animals are really looking forward to seeing all the excited children coming to the Zoo for this year's ZooBoo.

Of course, there's a lot for the kiddies to be excited about. Trick or treating at creepy candy stations. Meeting costumed characters. Going on hayrides. Dancing around to live music. Showing off in the Costume Parade. And you know they'll love our to-be-seen-nowhere-else special ZooBoo event: The Animal Pumpkin Smashes!

So get the costumes out and the kiddies ready for an absolutely spooktacular time at ZooBoo. It's a real Halloween treat.
